Reasonable Modifications

MAX Transit provides reasonable modifications to individuals with disabilities by making changes to policies, practices, and procedures if needed, as long as the modification would not cause a direct threat to the health or safety of others, or result in fundamental alterations of service.

Examples of reasonable modifications are, but not limited to, the bus operator slightly adjusts a boarding location so a person using a wheelchair may safely board from an accessible location. Another example may be if a passenger requests to take medication while aboard the vehicle.

Transit staff may not provide medical assistance as this would be a fundamental alteration of their function.

For further information regarding a reasonable modification, please contact our ADA Coordinator at (616) 928-2479.

Language Assistance

Language assistance is available free of charge. Please call (616) 355-1010 or visit MAX at the Padnos Transportation Center at 171 Lincoln Ave., Holland, MI 49423

Bus Passes

Bus passes are economical and convenient for frequent passengers. MAX offers several types of passes. Contact MAX to find out what pass is right for you.

Snow Routes

During extreme winter conditions, bus routes may be altered to ensure safe and reliable service. Anticipated detour segments appear on the maps of affected bus routes. Detours will only be in effect as needed.

Customers should expect delays during heavy snow and ice. For your safety, never stand in the street or on top of snowbanks to wait for the bus. Instead, please wait at a cleared driveway nearest to the bus stop.

Before you leave for the bus stop, get the latest updates on snow routes, service delays and cancellations by:

- Checking closings broadcast on local TV and radio stations
- Visiting www.catchamax.org
- Following MAX Transit on Facebook and Twitter
- Calling MAX Customer Service at (616) 355-1010
